ATR VERDICT: MARY FRANCES went up 12lb for a romp in the mud at Thurles a fortnight ago when clearly relishing the step back up in trip as she scored by 25 lengths. She looks capable of further improvement and conditions are in her favour once again. Shannak had every chance when falling at the last at Fairyhouse in January and, on that form, would hold solid credentials, while Shower Cross looks an interesting contender trying 3m for the first time under Rules.

Top Tip: MARY FRANCES (2)

Watch out for: SHANNAK (3)
