ATR VERDICT: Cyrius Moriviere tends to need his first run of a season and duly proved that when running a lot better behind Irish Roe in a handicap at Doncaster in early December. He should prove to be a key contender here if a three-month absence hasn't inconvenienced him. Awake At Midnight looks one to watch making his handicap debut for Philip Hobbs but the vote goes to FLASHING GLANCE, who was third when last seen at Chepstow to Silver Streak and has been given a winter break to avoid the worst of the ground. He has also had a wind operation which could potentially eke out further improvement.

Top Tip: FLASHING GLANCE (5)

Watch out for: AWAKE AT MIDNIGHT (7)
