ATR VERDICT: The Sedgefield specialist ROXYFET switches to hurdles now, having performed well over the larger obstacles at this venue throughout the current season. This allows Micky Hammond's gelding to compete off a 14lb lower mark (7lb well-in today) so he ticks plenty of boxes. Malpreedy went close at Southwell last time and the application of a tongue-tie could eke out the required improvement, while Fiddler's Flight may be underestimated off a dangerously low mark at a course he has run well at before.

Top Tip: ROXYFET (3)

Watch out for: MALPREEDY (6)
