ATR VERDICT: SKIPPING ON shaped like a step back up in trip was needed when only held by a length over 2m as he went for a hat-trick here nine days ago and can go one better off the same mark. However, Onlyfoolsownhorses would be a big threat is returning in the same form as when last seen in the summer. Micky Hammond's inmate got within three-quarters of a length of completing a four-timer over an extended 2m7f at Hexham last time out, although that was off 4lb lower and the layoff has to be a concern. Romulus Du Donjon completes the shortlist on the back of as good second over a furlong further here nine days ago.
