ATR VERDICT: SKYWARDS REWARD routed the opposition by 17 lengths in a course and distance contest earlier this month and should be hard to beat once again having escaped a rise in the ratings due to that success coming in a conditional jockeys' race. A winner of two of his last three starts, he is in fine form and should be able to see off Floramoss, with the consistent mare having the assistance of Brian Hughes once again. Perseid and Instingtive are others who could play a part from the foot of the handicap.

Top Tip: SKYWARDS REWARD (1)

Watch out for: FLORAMOSS (5)
