**ATR VERDICT:** Creadan Grae looked progressive prior to a below-par effort at Galway last time out, a performance that can probably be forgiven due to the unique nature of that track. This extended trip looks beneficial, though he has had a 213-day break and needs a market check. Cote Tete might be one for handicaps during the summer, and it could be worth chancing ROBIN THE HARE. The selection stayed 3m well when second at Cork 17 days ago and should have have more to offer for this stable.

**Top Tip:** ROBIN THE HARE (8)

**Watch out for:** CREADAN GRAE (3)
