**ATR VERDICT:** COLONIAL DREAMS finally got his act together over hurdles when scoring for the first time over timber last month and having taken his time to come to the boil, he can follow up now having beaten some useful rivals that day at Ascot. Tayzar shaped with promise in the early part of this season, in particular when second at this track to Dans Le Vent, and he can have more to come following a wind operation. Haasab is hooded first time for Laura Morgan and any market support should be noted.

**Top Tip:** COLONIAL DREAMS (1)

**Watch out for:** TAYZAR (5)
