**ATR VERDICT:** Drums Of War should appreciate the drying ground but has gone up 5lb for winning a weak race at Sedgefield, while Du Soleil has proved disappointing of late but does represent a handler in fine form at present. OTTER MOON was rested after breaking his duck at Perth last summer and has held his own off this mark since returning, particularly the last twice, and that consistency gets him the nod.

**Top Tip:** OTTER MOON (1)

**Watch out for:** DU SOLEIL (2)
