ATR VERDICT: Legal Eyes has had a 141-day break since finishing second at Bangor on debut and should go well again, while Rockery Garden makes his first appearance since July and merits respect for a trainer with a solid record in bumpers. Midnight Sonata, The Grey Enforcer and Elton Des Mottes all have nice pedigrees and could be nice long-term prospects, but this can go to Olly Murphy and VAMANOS. A 90,000 euros purchase last year, the son of Fame And Glory is related to a couple of decent Flat winners and should have the pace for this.

Top Tip: VAMANOS (13)

Watch out for: LEGAL EYES (4)
