ATR VERDICT: UPTOWN FUNK was coming with what looked like a winning run before tipping up at the last over hurdles at Musselburgh and is fancied to gain recompense now back on the level. Keith Dagleish's gelding is potentially well-handicapped on the Flat and has the scope for further progress. Indian Red has been holding his form since the turn of the year on artificial surfaces and rates a live danger with Paul Mulrennan back in the saddle. American Life is proving expensive to follow over timber but should at least give his running now returned to the Flat.

Top Tip: UPTOWN FUNK (4)
Watch out for: INDIAN RED (10)
