| <b>TIMEFORM VIEW:</b> Assessing the merit of the point form on offer isn't easy, but KOOTENAY RIVER fetched £80,000 following his easy win on debut and has since transferred to Alan King, so it's safe to say he created a good impression. He could well be the answer, but all of these have experience between the flags, with Control Me and The Roestone both successful first-time up, too. |   |   |   |          |                               |   |
