ATR VERDICT: LUNGARNO PALACE was an impressive winner on his hurdles debut last month and he was not disgraced when finishing third under a penalty at Kempton a few weeks ago. Don't Ask has yet to run a bad race over hurdles and he should give the selection plenty to think about, while Darcy Ward is another who should go well and he is the pick of the remainder.

Top Tip: LUNGARNO PALACE (3)

Watch out for: DON'T ASK (2)
