ATR VERDICT: HERBERT PARK only won narrowly at Exeter last month but he idled when in front on that occasion and was value for much more than the official winning distance. A reproduction of that effort would make him hard to beat despite this being a competitive contest. Bally River Boy, In A Blue Dust and Letskeepit Simple all bring solid recent point-to-point form to the table and can be expected to go well.

Top Tip: HERBERT PARK (1)

Watch out for: BALLY RIVER BOY (2)
