ATR VERDICT: SPORTING TIMES' only career win came on fast ground back in June last year and he looks to be worth an interest on his first run since a wind operation. James Doyle has won and finished second in two starts on the gelding and his presence in the plate today suggests that a decent effort can be expected. White Desert remains unexposed and was only beaten a neck by a smart animal last time at Wolverhampton, while Abareeq could prove best of the remainder.
