**ATR VERDICT:** Nordic Passage did it well enough on debut at Kempton last time out, though he was weak in the betting and the form of that contest has been let down since. He wears a first-time hood, suggesting that he isn't straightforward, and it could be worth chancing newcomer MYSTIC FLIGHT. The 280,000-euro breeze up purchase is related to five winners and although bred to need further in future, he could be good enough here on debut. Leicester winner Accessor is another consider, but he does have to give the selection 6lb.

**Top Tip:** MYSTIC FLIGHT (8)

**Watch out for:** NORDIC PASSAGE (2)
