ATR VERDICT: WARSAW ROAD looked ready for a step back up in trip when a staying-on fourth on his reappearance over 7f at Kempton and, competing off the same mark on his second start of the season, he looks sure to go close. Knight Owl has won over 1m1f at the track in the past and also ran well over C&D on his latest outing in September. He must enter calculations back from a 232-day break, while My Target is another course winner with place credentials.

Top Tip: WARSAW ROAD (5)

Watch out for: KNIGHT OWL (3)
