**ATR VERDICT:** STICK TO THE PLAN acquitted himself well in handicap hurdles throughout last season and looks likely to progress now going over fences for the first time. The step back up to 3m should also suit the son of Gold Well. Loch Linnhe got off the mark on his chasing debut at Hexham earlier in the month and is respected now switching to handicap company, while One Forty Seven ran well last time at Huntingdon and has more to offer now chasing.

**Top Tip:** STICK TO THE PLAN (1)

**Watch out for:** LOCH LINNHE (4)
