ATR VERDICT: ACTIVE APPROACH has been unfortunate enough to run into some smart types in maiden company in her career so far, including the likes of 1,000 Guineas participants I Can Fly and Happily, and has been found a nice opening by Jim Bolger to get off the mark. The daughter of New Approach should appreciate this first attempt at 10 furlongs and can account for Indie Groove, who ran better than his sixth position suggested at Gowran Park two weeks ago. Sheberghan is bred to be better than he showed last time out.

Top Tip: ACTIVE APPROACH (5)
