ATR VERDICT: CALDERONE showed promise on his hurdles debut at Cork at the start of the month over 3m and that performance suggested he would be capable of further progression over timber. This looks a more than winnable contest and the drop in trip will do no harm to his claims. Pallaskenry struggled throughout the winter but is expected to improve for a sounder surface, while More Information should be in the mix granted a clear round having fallen last time at Clonmel.

Top Tip: CALDERONE (4)

Watch out for: PALLASKENRY (8)
