ATR VERDICT: True Valour has posted two solid efforts in Group 3 company already this year and makes plenty of appeal with first-time cheekpieces equipped, while Ardhoomey merits consideration dropping down a level. The most interesting runner by far, however, and receiving the vote, is Aidan O'Brien's US import ST PATRICK'S DAY. The form of September's Del Mar success is rock-solid with the runner-up since fourth in the 144th Kentucky Derby and he can land this prize before going onto bigger and better things.

Top Tip: ST PATRICK'S DAY (8)

Watch out for: TRUE VALOUR (6)
