ATR VERDICT: SAROOG landed the silver medal for the third race in succession at Catterick last time but rates the one to beat on these terms if running to his official rating. Smashed is going the right way, as is Beer With The Boys, and both runners may improve again now tackling 1m6f for the first time. Any money for John Gosden's Surya would be notable too as he was outpaced over 1m2f at Newbury and may improve for this stiffer test.

Top Tip: SAROOG (4)

Watch out for: SURYA (8)
