ATR VERDICT: NEWSTART was snapped up out of the Brian Ellison yard after landing a seller here and while that form would appear to be ordinary in the context of a handicap, the minor placegetters have since come out and won so Katy Scott's new recruit is worth sticking with. Cherry Princess scored at this venue last month, but was only third to Back To Balloo less than two weeks prior and isn't really that much better off at the weights. Red Ochre is another to consider.
