**ATR VERDICT:** IBRAZ followed up on two promising efforts at Newmarket when getting off the mark at the third attempt at Nottingham, beating the well-regarded History Writer, and the slight step up in trip on handicap debut can bring about further improvement. Bathsheba Bay won his maiden here in good style last season at the fourth attempt and should prove capable of building on his return effort at Doncaster, while first-time blinkers can make a difference to Kassar, who was fourth to Danceteria here over a mile last month.

**Top Tip:** IBRAZ (3)

**Watch out for:** BATHSHEBA BAY (2)
