ATR VERDICT: Tapis Libre has found himself back on the same mark as when winning this race last year and must enter calculations, while Mukhayyam can also run well again after finishing runner-up 12 months ago. Philip Kirby's pair Rayna's World and Archippos merit shortlist inclusion, as does class-dropper Pacify, but DESERT RULER looks the one to beat. This past course winner is arriving at the top of his game, having only found one too good when bidding to complete the hat-trick last time.

Top Tip: DESERT RULER (7)
Watch out for: MUKHAYYAM (5)
