<b>TIMEFORM VIEW:</b> Just 1 lb higher compared to when striking at Wolverhampton in February, ASK THE GURU could be the answer. He was a close third over C&D recently and a reproduction of that would give him every chance. Deer Song's strike rate is hardly compelling but he was runner-up off this mark when last seen at Kempton in January and will be a threat if on-song back from a break., Terri Rules also has claims.
