ATR VERDICT: BOWLER HAT took a step back in the right direction when second at Beverley 11 days ago, after failing to show much progression in recent times, and the Cheveley Park-owned son of Helmet must be showing something in his work for such powerful connections to keep the faith. Global Art makes the long journey from Newmarket and wears first-time blinkers, while Mystical Mac stayed on well in second last time and remains unexposed in handicap company.

Top Tip: BOWLER HAT (2)

Watch out for: MYSTICAL MAC (5)
