ATR VERDICT: QUANTUM OF SOLACE got off the mark for Fergal O'Brien at the second attempt at Perth and despite now up to a career-high mark over hurdles, she is backed to find the required improvement for the handler who has a knack of driving handicappers up the ratings. Mitcd, a competitor in Cartmel's void race when last seen over timber, tuned up for this with a win on the Flat and has to be considered. Ilovemints and Cautorillo both have the potential to get involved at the finish too.

Top Tip: QUANTUM OF SOLACE (1)

Watch out for: MITCD (7)
