**ATR VERDICT:** PECULIAR PLACES has to be respected having knocked on the door the last twice, and the application of cheekpieces could help the strong traveller who can be a little sticky over his hurdles. Worcester second King Vince could be the horse to take advantage if the selection fluffs his lines. Recent Wetherby Flat winner Pantomime has to be respected receiving a mares' allowance, and similar applies to the visored Mythical Legend.

**Top Tip:** PECULIAR PLACES (3)

**Watch out for:** KING VINCE (2)
