**ATR VERDICT:** HANDMAIDEN bumped into a potentially high-class colt when finishing second on her debut over C&D last month. That was an eye-catching debut for this relation to Finsceal Beo and she could take plenty of beating now she's in against her own sex. Lover's Knot and Poetry are others who can be expected to go well based encouraging first performances in recent weeks. Arguably the pick of the newcomers is Yourtimeisnow, who cost 120,000gns and is a half-sister to the Group-placed juvenile Stroll Patrol as well as Hors De Combat. Lady Cosette was a 60,000-euro purchase as a yearling but she impressed enough at a breeze-up sale earlier this year for connections to part with 250,000 to secure the daughter of Wootton Bassett. Wingreen and Ip Dip are others who should be monitored in the market.

**Top Tip:** HANDMAIDEN (2)

**Watch out for:** POETRY (8)
