ATR VERDICT: Miss Sapphire showed some consistent form last season but would be fully entitled to need this outing after a 322-day absence, while Caltex represents powerful connections but has struggled the last twice over hurdles and must do better now sent over fences. It could be worth following BLACK WARRIOR, who was unlucky to bump into a talented gelding at Kilbeggan last time and he may find improvement now reunited with Davy Russell for the first time in 12 months.

Top Tip: BLACK WARRIOR (2)

Watch out for: MISS SAPPHIRE (9)
