ATR VERDICT: CURIOSITY was thwarted by a neck over this trip on the Rowley Mile and then posted an even better effort when second in the Britannia. Hugo Palmer's charge has been handed a 3lb rise but is seemingly well suited by a stiff mile on fast ground and can get back on the winning trail. Argentello, Moqarrab and Ibraz all continue to improve, especially the latter, who dug in well to strike at Sandown. The step up from 7f could be a source of immediate improvement for recent Listed second Clubbable.

Top Tip: CURIOSITY (2)
Watch out for: IBRAZ (6)
