ATR VERDICT: WOUNDED WARRIOR is taken to give weight and a beating to these rivals. The Shantou gelding was mightily impressive when making much of the running to land a 3m6f Punchestown Festival handicap last time and, although a 7lb rise will obviously make life tougher, he will prove difficult to peg back if arriving in the same mood. On the same card 83 days ago, Rogue Angel ran a blinder to finish second behind Heron Heights and he should give another good account on his first outing for Gordon Elliott, while Major Destination and Na Trachtalai Abu are others to keep an eye on.

Top Tip: WOUNDED WARRIOR (1)

Watch out for: ROGUE ANGEL (11)
