Just 2 lb higher now and will be a danger to all if performing to a similar level back on turf. ★★★★★ (Forecast 4.00)</i>                              |   |          |   |           | Notes:                           |     |

| <b>Jockey Colours:</b> Silver, gold braid, maroon cap, gold tassel<br><b>Timeform says:</b> <i>Bagged a competitive 1m Newmarket handicap last summer and shaped well on first 2 starts this season. Struggled in the Royal Hunt Cup latest but this is a less taxing assignment. ★★★★★ (Forecast 3.75)</i> |   |          |   |           | Notes:                           |     |

| <b>Jockey Colours:</b> Silver, tassel on cap<br><b>Timeform says:</b> <i>Has failed to make a meaningful impact in 3 starts following his decisive all-the-way listed success at Epsom (7f). Still, he's capable of a bold show back in a handicap off this mark. ★★★★★ (Forecast 4.50)</i>                 |   |          |   |           | Notes:                           |     |

**TIMEFORM VIEW:** MEDAHIM failed to make an impact at Royal Ascot but his sights are lowered now, and he's just 2 lb higher compared to when landing a stronger handicap than this at Newmarket last season. Amazour is arguably a more potent force on the AW but he is respected nonetheless and Lake Volta will be dangerous if allowed his own way out in front.

#### Timeform 1-2-3:

- 1: MEDAHIM (4)
- 2: AMAZOUR (3)
- 3: LAKE VOLTA (5)
