**ATR VERDICT:** An eye-shield is now tried on JACBEQUICK, who showed improvement when third at Beverley earlier in the week, and there could be more to come off the same mark now up in trip. Chant was a winner on the all-weather when last seen, but that was almost a year ago and this is a tough task first time up, while Cricklewood Green is slipping down the handicap and is respected despite his form over this trip not being the most encouraging.

**Top Tip:** JACBEQUICK (4)

**Watch out for:** CHANT (1)
