ATR VERDICT: Willie Mullins saddles an interesting stable newcomer having recruited Aramon for 40,000 euros from Germany, and the two-time winner on the Flat is entitled to play a leading role on his first attempt over obstacles. However, preference is for GLOBAL JACKPOT, who has finished second in three of his last four outings, with his best effort coming over a similar distance when second to the highly-regarded Stay Humble over 2m3f at Downpatrick. The consistent Cooldine Bug is another capable of playing a part.

Top Tip: GLOBAL JACKPOT (3)

Watch out for: ARAMON (1)
