Jockey Colours: Light blue, royal blue stars, halved sleeves, royal blue cap, light blue stars Timeform says: Likeable type who overcame a failure to fully settle when gaining his third success of the season at Epsom last month and, following a small rise, can be expected to remain competitive.***** (Forecast 8.50)

TIMEFORM VIEW: DANCETERIA, Kaanoon and Caliburn all fit the profile of upwardly-mobile 3-yos getting plenty of weight from the bulk of their rivals, so the chances are that they'll come to the fore here. They're hard to split, but the first named has shown he's at home on this track and has the benefit of a confident claimer taking a further 3 lb off, so he gets the narrow vote.
