ATR VERDICT: GOPSIES DAUGHTER built on her 5f victory at Navan last month when beaten by under two lengths into fifth over 6f here. The return to the minimum trip is expected to suit Denis Hogan's seven-year-old, who shades the vote ahead of recent second Caesar's Comet, who is now rated 2lb higher but dropping back from 7f should help. Haqeeba has been raised 3lb for her half-length success at Down Royal last month and is also expected to remain competitive.

Top Tip: GOPSIES DAUGHTER (9)
