**ATR VERDICT:** PRESENT IN COURT was a good winner of a bumper here over 2m3f last month and he looks likely to build on that effort now going hurdling for the first time. Eclat Des Mottes makes his Irish debut for Willie Mullins and has to be respected having shown promise in a bumper at Argentan last October, while West Burma could take a step forward for the application of a tongue-tie.

**Watch out for:** ECLAT DES MOTTES (6)
