ATR VERDICT: Ideal Candy made all over C&D last time and should give it another good go on the front end off 4lb higher. Weather Front was touched off by under a length off 5lb lower at Newcastle last time and could also take a hand if transferring his form back on turf, though preferred ahead of both is TAKE A TURN, who appeared to find 1m1f an inadequate test at Hamilton last month and promises to be suited by this step up in trip.

Top Tip: TAKE A TURN (2)

Watch out for: IDEAL CANDY (6)
