**ATR VERDICT:** INGLEBY MOLLY followed up her C&D victory with a head defeat in second here last time and is seemingly thriving at present. She's been raised 5lb since but remains on an upward curve and is expected to show up well from a low draw. Peggie Sue went down by a head off this rating at Brighton last time and should go well if transferring that form back into this sphere, while Brockey Rise has slipped to a handy mark and is also worth a market check now sporting first-time blinkers.

**Top Tip:** INGLEBY MOLLY (2)  
**Watch out for:** PEGGIE SUE (1)
