**ATR VERDICT:** STAXTON gained a deserved success when showing an excellent attitude over C&D at the end of last month and there is every chance the son of Equiano could find further improvement for a pair of cheekpieces. Jawwaal could also take a step forward with headgear potentially aiding his chance, while Spoof will benefit from a return to handicap company and for the step up to 6f having struggled in a Listed dash. There is more to come from Buffer Zone too.

**Top Tip:** STAXTON (1)

**Watch out for:** SPOOF (2)
