ATR VERDICT: DUBAWI PRINCE, once a 725,000 guineas purchase, returned from over a year off the track to score in fairly impressive style at Newmarket last month and should be more than capable of handling the 7lb rise he has received for that victory. The lightly raced Dubawi colt has a course success already to his name and the month's rest since his August triumph should limit the effect of any potential bounce factor. Byron Flyer often runs with credit and is interesting dropping back in trip, while Star Of The East would have a chance if not finding this trip a little on the sharp side.

Top Tip: DUBAWI PRINCE (5)

Watch out for: BYRON FLYER (2)
