ATR VERDICT: SHADOW SADNESS looked to have every chance at Worcester when falling three from the finish in a contest he was sent off favourite for, and Oliver Greenall's gelding can make amends to supporters now to get off the mark at the third attempt. Icefall has made the podium on all three hurdle outings and can prove a live threat here, while Globetrotter outran his odds when third on his hurdling debut at Perth and should be a lot shorter in the betting this time around.

Top Tip: SHADOW SADNESS (10)

Watch out for: ICEFALL (4)
