ATR VERDICT: Kitikat made the perfect start to his career with victory in a Southwell bumper back in May, but he comes across a couple of interesting recruits from the Flat. Kreb's Cycle is a useful handicapper at around a mile, but is rated 23lb inferior to SOFIA'S ROCK, who is also blessed with more stamina. The four-year-old has left Mark Johnston since finishing fourth over 1m6f at Newmarket at the end of August, and Dan Skelton should have got plenty of schooling into him in the relatively short time since then.

Top Tip: SOFIA'S ROCK (8)
Watch out for: KREB'S CYCLE (6)
