ATR VERDICT: QUEEN OF SCHEME almost sprung a surprise when only a length away in a competitive seller at York on her last outing earlier in the summer, and Ollie Pears' filly could be the one to side with in what looks an easier contest. Elieden has been running with credit in France lately and is interesting back on home soil, while Four Wheel Drive has some respectable form at this distance and is also considered.

Top Tip: QUEEN OF SCHEME (12)

Watch out for: ELIEDEN (10)
