**ATR VERDICT:** A wind operation helped Rory's Valentine spring a 50/1 surprise at Perth in May but he must prove it wasn't a fluke, while Superefficient is on something of a retrieval mission after letting down favourite-backers at Tramore. Mitcd has done likewise on two of her last three starts but still commands attention, although another chance is given to SLEEP IN FIRST because he remains well treated at this discipline compared to his chase rating.

**Top Tip:** SLEEP IN FIRST (4)

**Watch out for:** MITCD (1)
