ATR VERDICT: THUNDERBOLT ROCKS appeared to relish the step up from 7f when winning stylishly over the extended 1m1f at Wolverhampton last time. Hugo Palmer's charge is now 7lb higher and switches surface this afternoon, though this stiffer test may well be a source of further improvement for him. Enzemble posted a solid effort in defeat over 1m3f at Kempton last time and can scrap it out with recent C&D second Dawn Dancer for the silver medal.
