**ATR VERDICT:** MONTALBANO's only chase win came on heavy ground and Willie Mullins' six-year-old should appreciate the return to the mud here, while he was in the process of running a big race when falling two out at Listowel in the summer when last seen. Flaxen Flare is a solid alternative who seems sure to be thereabouts if the favourite fails to fire, while point winner Cloudy Day is interesting on just her third Rules appearance.

**Top Tip:** MONTALBANO (4)

**Watch out for:** FLAXEN FLARE (3)
