ATR VERDICT: A handicap that has gone to Group-class performers in recent seasons, including Bateel (2015) and Star Rock 12 months ago. While there isn't a contender seemingly of that quality in this field, HAMEEM is the one who appeals most. John Gosden's filly got off the mark at prohibitive odds at Brighton earlier in the month and connections have found her a nice opportunity on her handicap debut. Saving Grace can go close if returning to her form earlier in the summer, while Perfect Summer can give a decent account despite this being her first run of the season.

Top Tip: HAMEEM (3)

Watch out for: SAVING GRACE (2)
