**ATR VERDICT:** GAS MONKEY struck on his reappearance back in April and has been lightly raced since, finishing second at this venue in June before a close-up fourth at Nottingham in August. Perhaps best when given breaks between his races, he could strike after two months off the track. Cottingham showed up well on his handicap debut at Bath last time and is a danger, while Highland Bobby and Boreagh Lass both look well treated on the pick of their form.

**Top Tip:** GAS MONKEY (6)

**Watch out for:** COTTINGHAM (9)
